## Question and Answer

**Q: Termination of services requires 30 days written notice. Does the 30 days begin with date of notice or receipt of the notice?**

A: We actually allow 33 days (30 + 3 for mailing.)

**Q: How does this mesh with someone who uses VA as primary health care?**

A: It would be no different than a person receiving primary care MD from any other source. Many A&D Waiver clients use the VA system for primary MD.
